Steve – this is what I was referring to earlier today. This is the first I’ve heard of this issue. Are you familiar with the matter? Could you or someone in your branch give me a 30-minute briefing on what this is all about, timing, who should be included in a briefing, etc. in the next day or two? Many thanks. - Mary

Shawn sent a note to avi saying should talk before the mtg. we will need a pre-brief so folks can get up to speed. And we should have the region on the phone for the mtg. I think we’re talking a couple of weeks away given avi’s travel schedule.
